# Geometric shapes

## Geometric shapes

Following clean lines and geometric shapes, our ARC collection by Piet Boon is defined by its no-nonsense appeal. The unique silhouette arose by dividing a cylinder volume exactly in half, which gives the ARC its characteristic flat side and a side characterized by an arc — after which the ARC is named.

## Geometrische vormen

Geleid door strakke lijnen en geometrische vormen, wordt onze ARC collectie by Piet Boon gedefinieerd door zijn no-nonsense uitstraling. Het unieke silhouet is ontstaan door een cilindervolume exact door de helft te delen. Dit geeft de ARC zijn kenmerkende vlakke zijde en een zijde die wordt gekenmerkt door een boog — waaraan de ARC zijn naam dankt.
